Dear Members,

The Directors of the Moorabbin Bowling Club Inc. hereby present the 64th Annual Report and Financial Statements for Season 2018-2019

## VALE

Marjorie Anderson 24<sup>th</sup> Dec 2018

Marj Anderson became a member of Moorabbin Bowling club in 1958 and proceeded to become a relentless contributor in all areas of club life. She most content when she was part of the action in the club whether it was behind the scenes or on the green. Marj was an active member of many committees including being president for three years in the 1970's. For her service to the club she became a Life Member in 1981. Marj was also awarded a supervets badge in 1994. She was also a very accomplished Bowler who won all the major awards in club championships, including the Ladies Singles in 1973. Marj remained a tenacious competitor up until the late 1990's winning the club pairs in 1999 aged in her 80's! Marj was the type of member that all clubs cherish for their commitment, loyalty and service. She will always be remembered as one of the founding members of Moorabbin Bowling Club.

Margaret Vaux 16<sup>th</sup> June 2019

Margaret Vaux joined Moorabbin bowling club in 1985. She proceeded to become a tenacious worker, leader and bowler who entrenched herself into the culture of bowls and of her chosen club. Margaret was active in all areas of MBC including being President for three years and a tireless worker on a variety of committees during her thirty four years of membership. She loved to play bowls and participated in many club championships. In her last years Margaret was the manager of the Tuesday Pennant. She was a great mentor to new players and was always available for advice and support. Margaret is a great loss to the club. Her loyalty and work ethic will be remembered as will her wry sense of humour. She was a true club stalwart and a valued Life member of MBC who will be greatly missed.

# Members 2018-2019

## MEMBERS

We welcomed the following new members who played in the 2018-2019 season: Ged Bannon, Brian Clark, Sandra Clark, Will D'Abate, Michelle D'Abate, Sally Difford, Peter Ingvarsson, Megan Knowles, Bec Krelle, Andrew McGaw, Elly Murphy, John Musat, Claire Musat, Matt Smith, Jo-Anne Ward, and Marnie Woodall.

More recently Haydn Andrews, Lee Carson, Anne Carson, Robyn Donoghue, Diane Millward, Lois Piroch, Bob Rorke, Dianne Wagner, Dianne Weeden and Cheryl Wilkins have signed for the upcoming 2019-20 season: And there are several others who have expressed their interest, just not signed up.

Our membership comparisons to last year have been on an overall decline, this is mainly due to the Italian Social Club membership which has decreased by 45 people. However in the bowling department we gained 9 new female and 7 new male members for 2018/19 – the majority being full playing members. With 10 members already signing up for the upcoming season Moorabbin Bowling Club is heading for an exciting year.

As at 30<sup>th</sup> June 2019 our Membership consists of the following:

	Life		Full		Social		Total	
	2018/19	2017/18	2018/19	2017/18	2018/19	2017/18	2018/19	2017/18
Male	3	3	61	62	5	4	69	69
Female	4	6	35	24	3	2	42	32
Italian Social Club					104	149	104	149
TOTAL	7	9	96	86	112	155	215	250

## “VALE”

Sadly we mourn the loss of our valued members **Marj Anderson & Margaret Vaux** during the year.

In addition some of our members have lost close family members. Our deepest sympathy to all their families and friends.

## SPONSORS

We would like to acknowledge the support provided by our sponsors: our major sponsors being Tara Ferrier, Monjon, Sunspot & The Healy, thanks also to members who have donated throughout the year momentary and as well as physical help, we thank you.

Again thank you **to John Nesbit** in gaining sponsorship for the member's handbook.

## WINTER BOWLS

Another great season of the Winter Social Bowls. The dependable help from **Rowena Beaumont, Pete Serres & Mal Lay** ensures our Winter Social Bowls Competition as being one of the best in the area. Thanks also to **Darrel** for setting up each week, and to the rest of you who consistently pitch in week in - week out – making a big job easy.

## BLUE ARMY

How awesome is it to be a member of the blue army? Our new members have quickly embraced our culture, with our working bees, setting up /cleaning up on match days, taking photos or just enjoying each other's companionship which is what being part of this club is all about.

Wishing all our members good health and good bowling for the coming season.

Pauline Peters  
Members Director

# Presidents Report

Congratulations to all of you for yet another fabulous season for this club culminating in promotion into Division 1 for the first time in a long, long time.

What a great year we have had. It included numerous highlights such as:

- Increasing our playing membership for the **5<sup>th</sup> season in a row.**
- Increasing our social bowls visitor numbers from **1200 to more than 2,000 in the summer** months.
- Winning the Division 2 section premiership.
- Winning a grant to rebuild the back green including state of the art lighting.
- Launching our first season of the Jack Attack Corporate Cup.
- Attracting 28 new members.
- Getting Council support to renovate the kitchen.
- Regeneration of the floors.
- Construction of our new car park and new gate.

These highlights don't happen by chance. We are a lucky club in that we have more volunteers per membership than any club that I'm aware of.

Over the course of the last 5 years our top two Saturday sides have been promoted 3 divisions and our third side 2 divisions, and the 4<sup>th</sup> side very nearly made finals this season. And hopefully we'll have a 5<sup>th</sup> side next season.

Tuesday nights have produced some great bowlers and helped build our membership. I remember my first season was Tuesday nights in 2012 (not that long ago) when we had just one team and finished runner up in division 5. Last season our top side beat every team in the Premier division at least once bar the two top sides. Our other two teams pushed hard for finals

Our Tuesday teams have had recent premiership success and presented competitive sides every week. We hope to get stronger with all the new bowlers coming on board.

This record is no fluke. I want to say a special thanks to all of our selectors, we can't thank you enough. You have done a wonderful service to this club and you the Saturday, Tuesday and Tuesday night selectors perform a very important role and one that we, the Board and all members are very grateful for.

Thank you to all of you who actively took part in the various **Sandbelt competitions**, tournaments run by **other clubs and our own singles and pairs competitions**. It's important we are seen to be involved in all these activities.

We are so lucky that over 40% of our members are actively involved in one or more of our activities as a volunteer.

Our helpers and volunteers all care about the club and most are juggling multiple priorities including work. They do an awesome job and deserve praise and your support.

We are so lucky to have the number of volunteers that we do. Can I just say thank you to all our committee members and subcommittee members? We can't thank you enough. We're proud of you all and are grateful you help to run the show.

This makes me incredibly excited and **POSITIVE** about the future of our club and I ask all of you to please embrace this **POSITIVITY** so we can keep riding the wave of success we are now having. When talking to others about our club, talk with pride and talk **MOORABBIN** up.

Remember our most important **VALUES** are to:

- Provide a **Welcoming and fun** environment for all visitors.
- Show **Care** for all members to support them in any challenges they may be facing.
- Treat each other with **Respect** in all our communications.
- Provide a club focussed on **Bowls and the Community**.

**To our hard-working Board:**

Pauline, Jan, Peter, Graham, Andy and Tim; you all put in enormous hours and all put the club first. I thank you.

To our fabulous bowls committee in the way they work together to run bowls matters so efficiently, our social helpers, bar sub committees, our volunteer gardeners, our working bees workers, our helpers in the kitchen, our wonderful provedore, our Rolls Director and his team, our BBQ Director and his team, our financial treasurers our administrators, our Sponsors including:

- Tara Ferrier from Hodges real estate,
- Australian Skin Cancer Clinic,
- MonJon Security and
- The Healy retirement village
- Yearly Diary sponsors and others who anonymously provided financial support

**We can't thank you enough**

I am completely blown away by the generosity and the support of our members. We have a unique comradeship. We are the envy of other clubs.....The Blue army is truly amazing.

Major plans include:

- Installing a Shade system for the club's northern greens.
- Renovation plan for the toilets.
- The appointment of a head coach or coaching Director and the development of a Club Coaching Program.
- Getting our 2nds into 3<sup>rd</sup> Division on Saturday pennant and launching a 5<sup>th</sup> Saturday pennant team.
- Launching our Summer Members Draw.

Finally, I just want to remind everyone how important clubs like ours are to so many of our members. We have a few members who are battling health issues as I speak. Our thoughts are with them and their families.

Moorabbin BC is a place that gives us all a purpose, a sense of belonging and somewhere we can all do something worthwhile. We have a responsibility to ensure this club remains strong and serves the community for many years to come. We must continue to evolve, improve and grow and we all must do our part.

So if you are a bowler looking for some way to contribute please talk to any one of the Directors

Thank you all for your support and enthusiasm for this fabulous club.

*“Positive thinking is more than just a tagline. It changes the way we behave. And I firmly believe that when we are positive, it not only makes us better, but it also makes those around us better.”*

John  
President

# Bar & Social Report

It has been another busy year for our bar staff with the increase in the number of functions that have been booked as well as the growing popularity of our Friday night Barefoot bowls. The feedback we have received from various groups has been very positive in relation to the friendly and efficient service from our helpers and the ability of the bar to cope with large numbers. We are now seeing follow up bookings from these groups for the coming season.

This year saw a lot of local businesses and community groups using our facilities for their various functions and I am confident this will continue to grow as word filters around of how well we run these events.

The Barefoot Bowls nights were very popular and we were very busy behind the bar. These nights are integral to the success of our club and John Smith and his team of volunteers should be applauded on the success they have achieved in growing the barefoot program. I would also like to thank Liam Murphy who worked on the bar for all those Friday nights. It was much appreciated.

I can only see positive signs for the upcoming season as bookings are starting to come in for August and September which is a real bonus before the summer pennant season begins.

I would like to take this opportunity to thank our entire bar staff that helped out at various times during the year. The bar sales is our main source of revenue for the club so it is important that we run it well and this can only be achieved with help from you the members. We are still looking for volunteers to join our bar roster for the upcoming season. Anybody that is interested can contact me anytime.

Looking forward to another successful year on and off the field.

Tim Vawser  
Director Bar & Social

## Facilities Report

Apart from a year of general maintenance requirements on an ageing building, things have gone reasonably smoothly this year. The new bar continues to perform above and beyond expectations with no issues arising since it was opened. The grass green has undergone a full renovation in the lead up to the upcoming pennant season with hopes to provide a better, faster and more consistent playing surface. The aim to having a standard 14 sec over the entire season. Every member needs to practice on all rinks not just 5,6,7 near the bar and this year directional play will be not negotiable and must be followed regardless if it is match or practice. This also applies to the synthetic green were there has been improvement on directional play and well done to those following the process.

Progress has been made with the back-green redevelopment with works started (hopefully at AGM time) this will be a full 8 rink (no ditch rinks) in the north- south direction, tiff dwarf grass and fully flood lit, this will make us a destination club once completed. Combine this with the new carpark which is now completed leads to exciting times ahead for our bowls club.

The kitchen renovation has been completed and looks fantastic with modern and up to date work surfaces Please be patient whilst these works are undertaken and remember the work site area is off limits for members until works are completed.

Finally, can all members please understand that there is a process in place we need to follow when raising requests for work via the council or outside contractors and sometimes this takes time we have had some equipment tampered with or someone has attempted to fix it themselves whilst requests are in place. If something is turned off or not working rest assured I know about it and work is underway to have it rectified, let's all stay safe and if you have a concern please contact me.

Thanks  
Graham Wilson  
Facilities Director.

# Administration Report

It has been a busy and productive year for the Board and Moorabbin Bowling Club. It is a pleasure to share some of the highlights for the Annual General Meeting.

It is with great sadness that we farewelled Marj Anderson and Margaret Vaux. Both life members who had contributed greatly to the club and we extend our sincere condolences to their families and close friends.

Our Barefoot Bowls and Social bookings continue to increase. The opportunity to engage the wider community brings much needed funds and potential new members to the Club and places MBC firmly on the local community map.

The Board cannot thank all volunteers enough for continued support and assistance; from the weekly lunch roll brigade, Darryl and all the volunteers who prepare and serve the barefoot bowls barbecues during the summer months and our fabulous team of gardeners that look after the flower beds who are worthy of a special mention as the garden lifts the overall look and feel of the club grounds. We can be proud of the fact we are one of only a few local bowling clubs that are growing their membership.

John McFarlane has generously provided a new BBQ for the new season.

The Back Green development is well into the planning stage and it will be completed in the next financial year.

Kingston Council has now completed the kitchen refit and I am sure you will all agree it is a great improvement for the Club.

Health and safety: The Defibrillator is now displayed by the Secretaries Office. Tess Vawser has kindly offered to arrange some training for more members to be able to confidently use the equipment in an emergency. The first point of contact is always to call 000, however, we will be reaching out to the bowls teams to get volunteers in due course.

The Club has a new ramp for disabled bowlers to access and play on the greens.

The Board held a think tank /planning meeting early in June where we invited a cross section of members to brainstorm and assist in deciding the strategic direction and future pathway of the club. The first action will be to increase Security around the premises and to protect our members at all times when at the club.

Andy Martin

Director of Administration

# Bowls Report

Well another year gone, with mixed results. The fours just missing out, losing the last game of the season. Thirds and Seconds hanging on to finish middle of the road. Talk of the town was the top side winning there section and going to Div.1. It was great to see so much support from our members during the finals. It was a great job done by all.

Our Tuesday sides had a bit of a mixed season. The top side hung in there to finish middle of the road against some quality teams. Our second team did not have a lot of luck, finishing second last. I am sure all our teams will bounce back and make next season a season to remember.

Tuesday night teams all went well with everyone having some fun on the way.

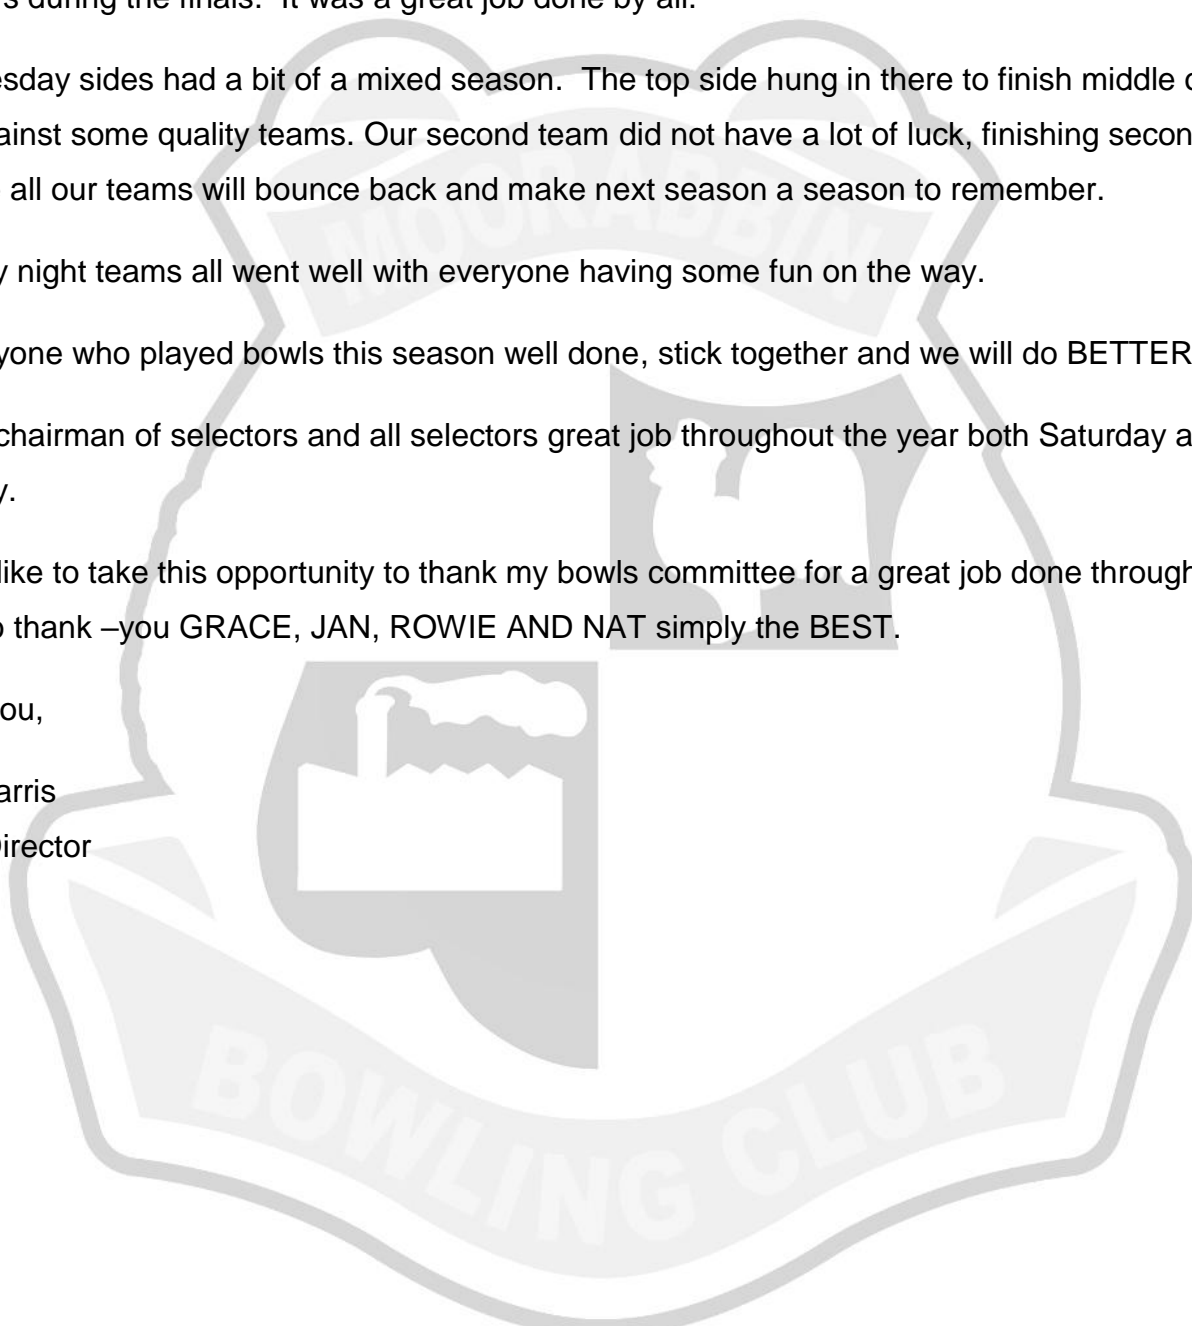

To everyone who played bowls this season well done, stick together and we will do BETTER.

To the chairman of selectors and all selectors great job throughout the year both Saturday and Tuesday.

I would like to take this opportunity to thank my bowls committee for a great job done throughout the year. So thank –you GRACE, JAN, ROWIE AND NAT simply the BEST.

Thank you,

Peter Harris  
Bowls Director

Ben Hughes, Nathan Hayat, Mark Peters & Pat Murphy

# Mid Week Pennant Report

This was an okay year. We neither went up or down. We had a few extra bowlers which meant that we had to change the teams to give the bowlers as many games as we could. Thanks for your understanding.

Thanks to Margaret Vaux, Margaret Smith, and Rowena Beaumont for their unenviable task of selecting teams to try to get wins and make sure each team member got a game. Thanks to the members who don't usually play Midweek who filled in on the few times we were short.

Thanks to Margaret Vaux for being the Team Manager in Team 1 even though she was unable to play. We will miss her this year.

Thanks to Grace for setting up the greens and being there early every week as well as umpiring. Thanks Grace and Rowie for getting everything ready each week and thanks to Barbara Lechte for her donation to the raffles.

Thanks to the members who willingly drove others to the games as it is a big help to know everyone was able to get there. This year we will still have 2 teams so if you have not put your name down please do so ASAP. We are hoping that some of the new members that have recently joined will be prepared to play midweek pennant. Best wishes for the 2019/2020 season.

Regards,  
Jan Shaw (Chairperson)

# Saturday Pennant Report

The 2018/2019 Saturday Pennant season certainly had its ups and downs for the Moorabbin Bowls Club. We put our toe in the water and tried to implement some changes on how we went about picking our teams for Saturdays. We introduced the tick system and after game catch-ups with the Skips.

Our 1sts embraced the changes and I believe it helped in their success.

As I said, this was a toe in the water exercise and we learnt that if we are going to continue with this it will require some tweaking.

A massive thank you to Peter D'Arcy for all his hard work and support in implementing and maintaining the performance spread sheet.

The season from the selection chair was more challenging than I thought it would be. The selection team would be faced with 10 plus players unavailable most weeks. This made consistent section of teams difficult.

Overall our 2nds fought the hard fight all year against some tough opposition to stay in division 4. Our 3rds had a consistent year with a lot of players showing they are ready to take the next step.

The 4ths were faced with multiple challengers including many forfeits from other sides and availability issues. With all this they were only one win away from playing finals.

The 1sts had an unbelievable year. At one stage the talk was avoiding relegation then an amazing run of victories saw them make finals and ultimately win the Premiership to promote the M.B.C to 1st division.

I congratulate the entire club for this great result.

I would like to take this opportunity to thank Jan Shaw, Pauline Peters, Paddy Murphy, John Rodaughan and Mark Murphy for their time, commitment and support in selection.

I would also like to thank Peter Harris and John Smith for giving me the opportunity to chair selection.

In closing, if there was anyone I upset or was disappointed with selection I truly apologise.

For those who I didn't upset or disappoint I will get around to you next year.

Thank you  
Mal Lay  
Chairman of Selectors

# SDELBA Tuesday Night

Season 18-19 saw the inclusion of eight (8) new bowlers to Tuesday night and of these there are 6 (six) that are new to lawn bowls. This is the clubs future membership and growth.

## Premier Div.

This was our 3rd year in the Premier division, and although we didn't make finals we were very competitive, with 6 wins and 8 losses. Our team needs to be congratulated as we played some extremely good premier & 1<sup>st</sup> div. bowlers. This experience alone was invaluable and probably assisted in our Saturday success in our div 2 team. Well done.

## Division 3

Having gone down a division from last year, it was still a tough season. Div 3 has a lot of clubs who have their top side competing at this level who subsequently had very strong players. However we won 7 of the 14 games and were close to making finals. Congratulations and well done.

## Division 4

This year we introduced 6 first year bowlers; Sally Difford, Megan Knowles, Bec Krelle, Andy McGaw, Elly Murphy & Matt Smith. The improvement of these bowlers was a pleasure to witness and I believe that they all intend to return for season 2019-20. Thanks to the skips for encouraging and supporting these new bowlers. With 4 wins, congratulations on a great season.

Thanks to our team managers, umpires, and members who prepared the club with setting up of mats, jacks, chairs and the bar and to the BBQ crew, with all this help our club once again shines.

Smithy's enormous commitment of the barefoot & social bowls holds us in good stead as a growing club.

Finally I would like to wish our members all the best for the 2019-20 season.

Mark Peters

# FINANCIAL DIRECTOR'S REPORT

We had a very busy year this year, and the club has improved yet again. We have had the floors sanded, (great for dancing). A new kitchen. A promise of the back green to be started later in 2019. Improved security. A new magnificent gate and car park. Solar panels are currently being installed. We had a new side fence built. These improvements can only happen with the support of the club members who volunteer at all the events that have been organized to raise the money.

The Italian Club has remained but their numbers are down, they still enjoy the use of the club to play cards and have bingo and dinners dances with a great dance floor.

Barefoot bowling has been bigger than ever thanks to John Smith and his team. This is where a lot of our new bowlers come from so please support and volunteer when you can. The Corporate Cup was a complete success and hopefully will be bigger and better next year.

Thanks to the bar staff, especially Tim Vawser who organizes the purchases and the roster and all the volunteers. We have had to pay some outside staff because of the events that need extra help, so if you can help please do.

Our Jack High Day was again fully booked and very successful. Thanks to Peter Harris, Pauline Peters and a milliard of helpers. Teams have already booked their spot for next year.

Winter bowls is bowling along. The green is full and most of the players are from our own club including quite a few new members.

We have had the Sandbelt board hold their meetings there which is great for everyone to see what improvements can happen with a great membership base. We have hosted the Blind Bowlers, Past Presidents Day and Tatts, they all continue to enjoy playing at our club. Our bowlers support them which makes a very enjoyable time for everyone.

Grace (Bowls), Brian (Finance) & Ange Murphy, Marg Smith & Pauline (Bar) continue to keep our accounts in control. We have had some very large expenses and you can see the results of them. Continue on keeping a watchful eye on the accounts.

After 4 years we find we need to increase our annual fees to \$210.00. But the green fees will remain the same.

Thanks everyone for your support. Good luck 2019/2020.

Jan Shaw  
Director of Finance

gp	\$ 47,729.06	\$ 55,032.48		
gp%	47%	49%		

Our total income was down x 12,424 from last financial year.

This was due several reasons;

- \* An increase cost of the beer & wine in July 2018.
- \* Different clientele holding barefoot xmas parties.
- \* Our 3rds & 4ths having byes and walkovers throughout the pennant season also reduced the number of people socialising at the club.

The transfer of funds to the COM has decreased x 13,287 from last year which is a reflection of the income.

The bar staff has also increased x 1,150. This can be reduced only if we can have more members commit to joining the bar committee.

The introduction of the eftpos machine has made purchases for our members and guest a lot easier particularly for corporate and party hire, this has come at a small cost of \$600.

## TREASURERS REPORT

### FINANCIAL YEAR ENDED 30 JUNE 2019

I have pleasure in submitting the 64th Annual Report for the Club. There was a net decrease in available funds of \$5,183, but after amortization of the synthetic green (\$10,000) our unallocated funds had a net decrease of \$15,183. This has resulted from an decrease in income of \$9,365 and an increase in expenditure of \$22,669 compared with the previous year. There have been many factors influencing the result, some of which are:-

1. the reduction in income can be attributed to the reduction in bar income of some \$12,000.
2. the increase in expenditure can be attributed to a couple of one off expenses, being the polishing of the hall floor boards and our new gate at the main entrance.
3. interest income totalled \$2,751 all of which was rolled over & re-invested.

The asset register I am informed has been kept more for insurance purposes than for accounting purposes, so please don't simply accept the values attributed to each asset, they might be slightly overstated.

BRIAN UPHILL  
HON. TREASURER

# Redevelopment of the back green

Exciting times ahead for the Moorabbin Bowls Club with Nick Staikos MP announcing a confirmed commitment of 125k from the state government and Mayor Steve Staikos, from the City of Kingston, matching that figure to rebuild our historic back green. Pictured are some of our bowling members on the green after the first day of Sat pennant. — with Nick Staikos MP.  
Oct 2018

The Moorabbin Bowls Third Green project is being developed by the City of Kingston in partnership with the Victorian Government.

<b>Project:</b>	Moorabbin Bowls – Third Green
<b>Funding Partners:</b>	Victorian Government and City of Kingston
<b>Project Description:</b>	Construction of a third bowling green and sports lighting
<b>Project cost:</b>	\$300,000
<b>Information:</b>	<a href="http://kingston.vic.gov.au/majorprojects">kingston.vic.gov.au/majorprojects</a>
