Dear Members,

The Directors of the Moorabbin Bowling Club Inc. hereby present the 65th Annual Report and Financial Statements for Season 2019-2020

VALE

Willi Kemper 20/01/1932 – 03/09/2019

Willie joined the club in 2008. He worked on the Building and Maintenance committee 2009/2010. And on gardens in 2008/9/10/11.

He played pennant on Midweek and Saturday and was always available to give a lift if needed.

Kevin Cripps 29/07/1944 – 13/01/2020

Kevin joined the club in October 2009. He became Treasurer in 2010/11, Men's Committee 2010, 2011, He was our Auditor in 2012. Bowls Secretary 2013/14/15. On the Bar Committee in 2014/15.

He was diagnosed with Parkinson's Disease in 2018 and was unable to be as active as he wanted. He played as long as his body would allow. Was a real gentleman. He passed away on 13th January 2020 after a recent diagnosis of cancer.

Keith Lassig 07/09/1929 – 10/05/2020

Keith joined the club in 1979 with his wife Marjory. They came from Bundaberg and Keith was a member there prior to moving to Moorabbin. He won many events. Handicap singles 2003/4, proportional singles 2003/4, Mixed pairs with Iris Flannery 2006/7. Men's Proportional 2007/8. Runner up Pairs champion with Peter Birch 2008/9. Runner up mixed pairs with Marj, 3 times. Runner singles championship 3 times. Won pairs championship with Myer Blake, 4 times. Runner up Proportional 3 times. Won Men's singles in 2009/10. Was part of a team who achieved an 8 badge in 2016. He died being a member of a Pennant winning team in 2020 at the age of 90.

Keith was President of COM 2002/2003 and Chairman of the C.O.M. 2006-2015 Green's Committee 1995 to 2014. Green's Director from 1999 to 2013/14. He was Publicity Officer 2008/9. Actually Keith was on every committee except the ladies, which I am sure he would of if he could of. He also kept the history of the club up to date until recently. Marj and Keith were avid bar workers. They worked behind the bar until stumps on every occasion.

He was made a Life member in 2006. He was the perfect gentleman who saw the best in everyone. He also was never short of telling you a joke, sometimes a little blue. We will miss him greatly.

There will be a Celebration of his life with his family when this Covid crisis allows.

Hugh Dellar 11 y.o. and Keith

Lassig 90 y.o.

Members 2019-2020

MEMBERS

We welcomed the following new members who played in the 2019/2020 season:

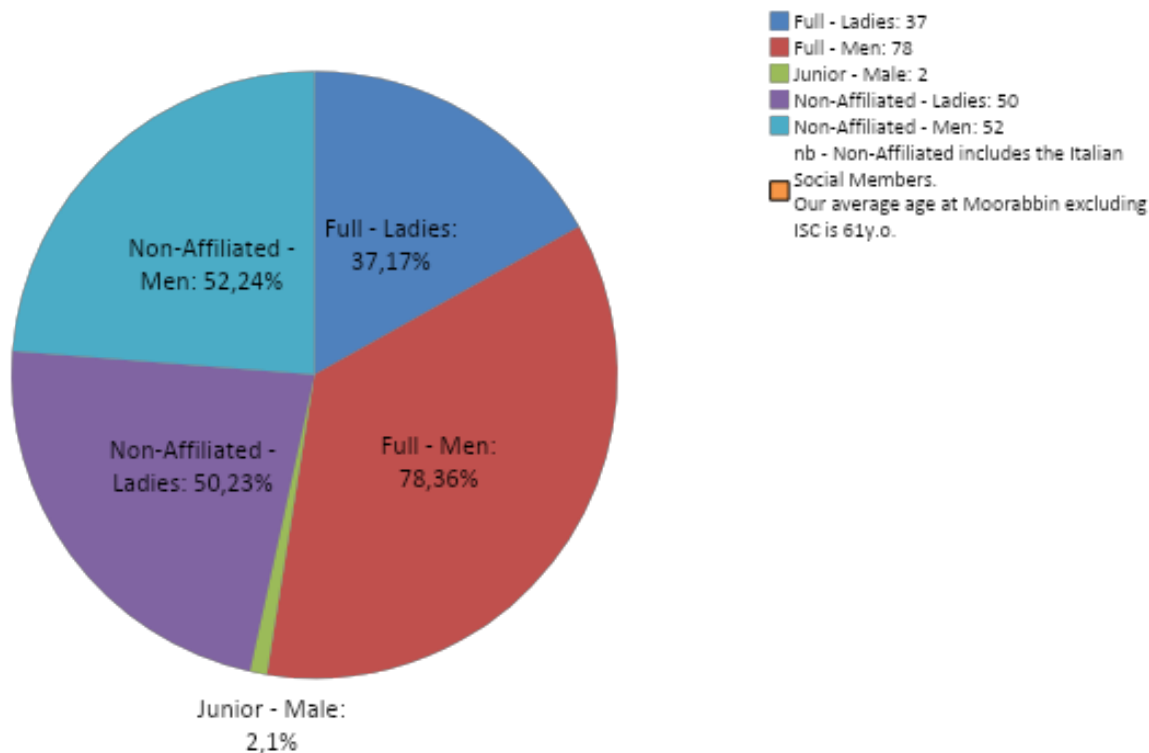

Leigh Andrews, Graeme Bane, Pauline Bicknell, Jim, Terry & Dan Callaghan, Anne & Lee Carson, Hugh Dellar, Andrew Elliot, Darren Gibney, Chelsea Hopper, Grant Kirby, Robyn Lee, Gary Leete, Coach Steven Moore, Craig Nenke, Paddy Patterson, Hayley Peters, John Rathgeber, Bob Rorke, Sean Scotland, Anita & Andrew Sleight, Mark Thomas. And just recently signed in the last month: Graham Alman & Colin Litton as social bowlers at this stage.

Membership consists of the following for 2019/2020 season

	Life		Full		Social		Total	
	2019/20	2018/19	2019/20	2018/19	2019/20	2018/19	2019/20	2018/19
Male	2	2	78	61	5	5	85	68
Female	4	4	35	35	8	3	47	42
Italian Social Club		0		0	87	104	87	104
TOTAL	6	6	113	96	100	112	219	214

We are the envy of so many clubs, not only in our growth but in the quality of our members which is GOLD. Our memberships increased by 22 (ladies x 5 and men x 17). Our **average age is 61** and we have **30% women** at our club. * nb these figures exclude the ISC. We also had an increase in our Social Members thanks to Gav McGaw introducing a MEMBERS DRAW on a Thursday night.

TOTAL MEMBERSHIP 2019/2020

BOWLSLINK

Bowls Victoria introduced “**BowlsLink**” to our clubs. This enables clubs to manage their members as well as pennant selection in the match results. At Moorabbin we use **BowlsLink** to maintain our database of our members information as well.

ITALIAN SOCIAL CLUB

This is the last year that the Italian Social Club will be part of The Moorabbin Bowling Club as their membership continues to decline, they decided to close their club. Some of these members will continue to be social members of Moorabbin Bowling Club to enjoy the billiards and cards. .

MEMBERS DRAW

Gav McGaw started a member’s draw on Thursday nights during the pennant season. Well this is a night that cannot be described in words; you really have to be there to witness the fun, humour and little ditties that Gav delivers, with the help of barrel girl Lyn Hayat. This night was extremely popular. Originally this night was only for the pennant season, but when COVID-19 hit Robyn Donoghue and Gav McGaw continued the draw with a **Members Catch-up online** and continued the members draw.

BLUE ARMY

How awesome is the Blue Army? Our new members have quickly embraced our culture, with our working bees, setting up /cleaning up on match days, taking photos, taking bins out & in, picking up cigarette butts or just enjoying each other’s company which is what being part of this club is all about. Especially this year during the COVID-19 pandemic the support to our members has been wonderful.

Gav McGaw, Lyn Hayat and Coach Steve Moore winner of The Members Draw jackpot

Wishing all our members good health and good bowling for the coming season.

Pauline Peters
Members Director

Presidents Report

Congratulations to you all for an incredible summer and pennant season.

Covid19 has thrown up some challenges and has impacted our revenue significantly in the final quarter of the year. Fortunately, we were having a successful season both on and off the green. This will mean that we will get through this challenging period and still be able to afford our financial contribution to the construction of the new green and shade on our front two greens.

To our Bowls Committee, all our selectors and our coaching panel thank you for your efforts throughout the year. To have four Saturday, one Tuesday and a likely Tuesday night team make finals was exceptional. To also win three Saturday premierships and to make the finals in our first year in Division One, was beyond expectations.

I would like to say special thanks to our head coach Steve Moore. Steve, you have brought so much experience to our club. You and your family have embraced what Moorabbin BC is all about and our members have embraced you. Your on-field leadership of our top side was invaluable, and your knowledge of the game has benefitted all members.

Other highlights included:

- The successful launch of our Summer Members Draw (Thanks Gav and Lyn).
- Fielding two extremely competitive additional Saturday and Tuesday teams.
- Increasing our social bowls visitor numbers from **2000** to over **2,500** for the summer.
- A significant increase in revenue from sponsorship, membership, green fees and bar sales.
- Winning a grant to shade our two greens that run along South Rd.
- Consolidating the Jack Attack Corporate Cup.
- Renovation of the kitchen.

These highlights do not happen by chance. We are a lucky club in that we have more volunteers per membership than any other club. I would like to congratulate all these volunteers and our various sub committees for a mighty effort throughout the year. Many hands make light work and we are blessed with the **Mighty Blue Army** of helpers that is the envy of all our neighbouring clubs.

We have had unbelievable support from our Gold Sponsors:

- **The Healey**
- **Australian Skin Cancer Clinic**
- **Robert Nelson Funerals**
- **Tara Ferrier - Hodges Bentleigh**
- **St. Kilda Football Club**
- **Mon Jon Security**
- **Bendigo Bank Highett**

We are so confident about the future of our club. We have a great location with brilliant exposure to South Rd. We have a business district that is becoming more and more aware of what we offer the community. The City of Kingston and our sitting members of both state and federal parliament support our growth plans.

This is all supported by us living our "Values" of:

- Providing a **Welcoming and fun** environment for all visitors
- Showing **Care** for all members to support them in any challenges they face
- Treating each other with **Respect** - in all our communications
- Providing a club focussed on **Bowls and the Community**

To our hard-working Board thank you for always putting the club first and the countless hours you contribute to our great club.

Our 5-year strategic plans include:

- Renovation of the toilet facilities
- Continued improvement of our coaching programs
- Fielding a 6th Saturday team as soon as we can do so sustainably
- Construction of a back deck and BBQ area to the back green
- An upgrade of the committee room so it can be used effectively for coaching, selection, meeting room hire and Bowls committee and Board planning sessions

Finally, I just want to remind everyone how important clubs like ours are to so many of our members. Our thoughts and prayers are with those members who are facing various health challenges.

Sadly, in recent times we lost Keith Lassig from our club. Keith was a 40-year member and held numerous roles including a lengthy presidency. His name is all over our honour boards. He was a great bowler, a gentleman and a great supporter of the current administration. To Keith and his family, we send our condolences. He was a wonderful man and was loved by us all.

It was the likes of Keith, Norm, Margaret and Crippsy that created the culture that we're all so proud of. Moorabbin BC is a place that gives us all a purpose, a sense of belonging and somewhere we can all do something worthwhile for others. We have a responsibility to ensure this club remains strong and serves the community for many years to come. We will continue to evolve, improve, and grow and we must do our part.

Thank you all for your support and enthusiasm for this fabulous club. It is a continued honour to serve you all.

John Smith

President

Bar & Social Report

The 2019 -20 season again proved a very busy & productive one for the bar & its staff. Even though we have had an interrupted year due to Covid19 the bar was showing month on month growth from the previous year. This was due to a culmination of factors.

We had constant stream of function bookings starting from August & had continued enquires right up until the club had to shut down in March. The bar staff are really handling these busy nights well & the feedback we receive from the customers is always very positive which also leads to new & repeat business.

Our Barefoot bowls program led by our President John Smith has continued to grow from year to year with more local business, community groups & locals all getting involved on Friday nights enjoying the facilities the club has to offer. Moorabbin Barefoot bowls is gaining in reputation as the best ticket in town for a good fun time on a Friday during the Summer months.

The introduction of a Members draw on Thursday nights after practice, was a runaway success & was significant in increasing bar sales throughout the week. This initiative was organised by Gavin McGaw & Lyn Hyatt. Many thanks go to the both of them for putting together a very popular & entertaining weekly event. I would also like to take the opportunity to thank Geoff Tucker for opening & running the bar on these busy Thursday nights. It is very much appreciated.

Also, over the past two years Moorabbin has enjoyed an increase in Membership which is a reflection on how our club is operating. More members also generate more revenue for the bar overall. Keep up the good work.

I hope we can be Covid19 free soon & enjoy a full season at the club. If this is possible I am positive we can continue to grow from strength to strength. Once the club can again take bookings I believe we will be inundated. Get ready.

I would like to take this opportunity to thank the entire bar staff that helped out at various times during the year. Everybody was willing to take their turn when they were asked upon. I thank you for your efforts. Bar sales is the main revenue source for the club so it is important that we do have members who donate their time to help out. Mark Thomas has nominated himself this season to help me out behind the bar which I am very grateful. Welcome to the team. Anybody else that is interested you can contact me anytime.

Looking forward to another successful year on & off the field.

Tim Vawser
Director Bar & Social

Facilities Report

Apart from a year of general maintenance on an ageing building, things have gone reasonably well. A few leaks, and some cosmetic work pretty much had it covered. A big thanks to Hayden, John and

Gavin for the works to remove the old shade system, install new handrails and works relating to the Covid virus.

The next big project will be the works on the back green which at time of writing should be starting August 1st 2020 and be in play for the 2021-2022 season. This has been a long and drawn out process but finally there is some light at the end of the tunnel.

We must all remember that when this project starts it will be a construction site and only authorized persons will be allowed to enter, our green keeper has some very stringent OH&S requirements that he must meet and council will be monitoring these works closely. I will be keeping all members updated regularly over the length of the project on how works are preceding.

Lastly, I have handed over a large section of the facilities requirements to Andrew Sleight with my focus to be on the back-green development and in future I will be just focusing on the greens and their management with Andrew set to take on the facilities director role.

Congrats to all the members on a fantastic season and I look forward to doing it all again next season

Graham Wilson

Facilities Director

Administration Report

I would like to thank John Smith for the invitation to join the Board after the resignation of Andy Martin and I would like to acknowledge the contribution that Andy made to the Board and to the Club in general.

The Board has been run in a very efficient manner under the Leadership of John Smith and the 'Zoom' meetings necessitated by Covid19 period has certainly increased the 'Technological' skills of our Board members.

The results that the Club has achieved on the Green, our increased Membership, our increased Bar revenue, our increased Midweek and Saturday teams are reflective of the great work done by the Directors this year and over the past few years. The Back Green development continues and despite some delays that have been out of our hands will be a great addition in coming years for our members.

Our 2nd year of Corporate Cup was again a great success with Tucker Road taking the Cup against Highett JFC. Thank you to Avery Dennison, Bentleigh FC, Fitzgerald Projects, Omega CC, The Healey and DST People for their support.

Thanks to Barefoot Bowls and Social bookings that continue to increase much needed income to the Club. The opportunity to engage the wider community brings much needed funds and potential new members to the Club and places Moorabbin Bowling Club firmly on the local community map.

The Board cannot thank all volunteers enough for continued support and assistance; from the weekly lunch roll brigade, Darryl and all the volunteers who prepare and serve the barefoot bowls barbecues during the summer months and our fabulous team of gardeners that look after the flower beds who are worthy of a special mention as the garden lifts the overall look and feel of the club grounds. We can be proud of the fact we are one of only a few local bowling clubs that are growing their membership.

City of Kingston Council continues to be our greatest supporter with their Financial Support' in part funding the Back Green and their repairs and maintenance of our Clubrooms over the Covid19 period.

David Lewis

Director of Administration Director of Administration

Bowls Report

Well what a great season, three premierships flags and four sides making finals,

it all started when we added two more teams. One to Saturday and one to a Tuesday and appointing a coach in Steve Moore with Marty Lyons as coach coordinator. Looking back over the season, I would like to thank the Midweek selectors, Tuesday night selectors and the Weekend selectors a tremendous job. Chairman of selectors, Mal Lay, in his second year did a fantastic job well done. To the coaches a job well done. To my bowls committee a great job was done throughout the year. Thanks to Grace, Rowie, Craig, Jan, Rachael and Anne Marie. Unfortunately Anne Marie will be stepping down from the committee this year, thank you for your great input. To all the trophy winners congratulations! Okay that's the season that was. Looking forward to next season.

Peter Harris

Bowls Director

WINTER BOWLS

Well the pandemic certainly changed our Winter Social Bowls. We were forced to introduce a new format due to the restrictions on numbers allowed. The Bowls Committee did a great job setting up the club with the new rules, sanitisers, booking systems etc. Anita Sleight took ownership of creating a booking system which worked really well. Gav McGaw created some very handy stubby holders / sanitiser holders on the poles on the rinks too.

We ended up holding 2 sessions of 3 bowl pairs of 13 ends and everyone seemed to be very happy.

Annual Coaching Review

Wowee guys! What a great season for all involved. Congratulations to all that were able to play finals contributing to 3 divisional promotions. It's certainly disappointing that due to the current climate we weren't able to see how far we could go but as a club, in our mission of obtaining some promotions, we can safely say it was a very successful. Thank you to all that put in so much effort on and off the green!

Being my first year as coach at Moorabbin I certainly was a little nervous coming in but was welcomed with open arms and I do thank you all for that. The culture at the club is fantastic and I hope I enhanced that in one way or another. I had a plan of what I wanted the club to achieve and to implement new selection methods and coaching strategies. I was allowed to do this on all levels which was a breath of fresh air. I believe having a selector from each division worked really well and we will continue this in the future.

Moving forward to next season we have ramped up coaching structures to try to reach as many members as possible. There will be emails coming out of the plans soon. Please reach out to us if you have questions or need help. You won't be turned away.

Looking forward to another successful year in 20/21. But let's all keep our foot on the pedal and keep striving for bigger and better. There is so much more this club can and will achieve.

Regards,

Steven Moore

Mid Week Pennant Report

The midweek pennant season was overall a success. We put in a third side, which was at times difficult but ultimately proved a great practice forum for our new bowlers. We saw a definite improvement in skills and enthusiasm for bowls. Playing in a competitive environment provoked our new players to practice and improve their skills, which they all have. The results speak for themselves. The first side missed out on a finals game but we held our own against strong competition finishing 5th overall. The second side had a great year playing in the semi final and just missing out on a win. As stated previously, the third side battled on, finishing 10th on the ladder sometimes having only three in a rink, but from the feedback I've had, they enjoyed the experience overall.

We want to thank all the players that helped fill our teams when they were able. It made a great difference and we hope they will be able to help us out again next season. We also hope our club members, that are no longer working full time or have retired, consider playing midweek Pennant next season. It is a solid competition with players with a range of different skills and ages participating.

I want to thank my fellow selectors - Jan Shaw, Maggie Smith, Gav McGaw and Geoff Tucker for their support and dedication. As anyone who is, or was a selector, it's not an easy job!

Thanks to Grace for setting up on home game days and umpiring, and to all the intrepid workers that set up and packed away equipment and cleaned up in the kitchen, after the games. We couldn't do without you!

I'm sure we are all looking forward to our return to the greens after this difficult time of Covid 19, with a new appreciation of what a great gift it is to be able to be a member of a caring and inclusive club like MBC and to be well and able to play the great game of bowls!

Rowie Beaumont (Chairperson)

Saturday Pennant Report

The 2019/2020 Saturday Pennant season was very successful for the Moorabbin Bowls Club.

Bolstered by the arrival of many new players our strength throughout the grades improved immensely.

The recruitment of Steve "Super" Moore as Club Coach added a positive dimension to the selection room as well as the Greens.

With four out of five sides making the finals and to come home with 3 premierships (2nds, 3rds & 4ths) is more than our club could have hoped for and a massive feather in the caps of Super Moore, Marty Lyons, Pauline Peters and Geoff Tucker.

The efforts of Super, Marty, Pauline and Geoff was outstanding and I would like to take this opportunity to personally thank them for their commitment in driving us to be the best we could be.

I would also like to thank Peter Harris and John Smith for giving me the opportunity to chair selection for a second season. Your support is very much appreciated even though I don't really like you.

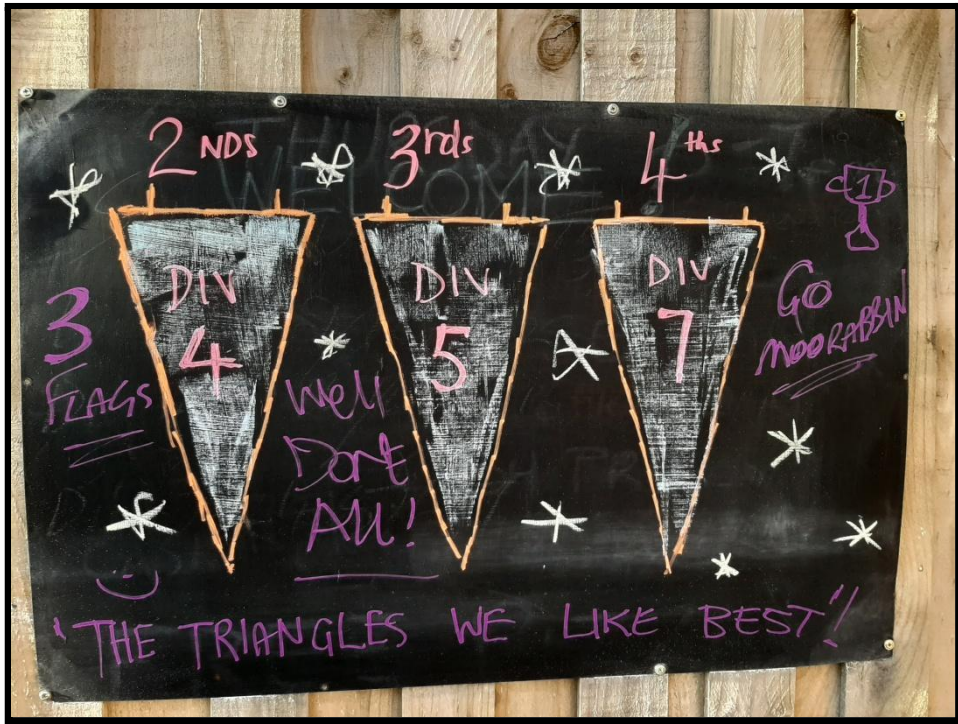

I would also like to take this opportunity to thank the many people that helped us organise and look after our 5th side on the weekends. We had an overflow in our ranks this year and managing a fair rotation system was extremely challenging. Our charter was to make sure everyone got a pennant game be it Tuesday or Saturday. Hopefully we can entice someone to jump on board and help us improve in this space. In saying that the 5ths had a great year and were knocking on the door of finals.

Our 1st team also had an outstanding year making finals in Division 1. This was a great effort as it was our 1st year in the Top division.

In closing I congratulate all those that played in our 2nds, 3rds and 4ths Premiership teams for a truly outstanding effort.

I would also like to thanks all our members on contributing in making the Moorabbin Bowls Club successful both on and off the green.

Thank you
Mal Lay

SDELBA Tuesday Night

Season 2019/2020 – the year of COVID-19 we introduced 11 new bowlers to Tuesday night bowls, with 4 of these being Tuesday night only. This is our clubs future membership and growth.

Premier Div.

4th year in the Premier division, which was probably the toughest year we've had in this division as the completion has become stronger with more Saturday Premier players participating. We were still very competitive, however often undermanned. Winning 3 out of the 12 games played –a washout and round 14 was cancelled due to the COVID-19 outbreak and restrictions imposed.

This experience was still invaluable and I am sure it helped in our Saturday success of our first year of Saturday Div 1. Well done.

Division 4

Finishing 4th on the ladder this season, there was not much between first and last, with 1 game still to be played, we were looking good for finals then COVID put an end to our season and no finals were played. The winner was automatically given to the team on top. We ended up 5 wins, 5 losses, 2 byes a washout of the 13 games. Congratulations and well done.

Division 5

This year we introduced 10 first year bowlers; **Hayley Peters, Haydn & Leigh Andrews, John Rathgeber, Greg Scott, Grant Kirby, Paddy Patterson, Dan, Jim & Terry Callaghan and Mark Thomas.** Thanks to the skips for encouraging and supporting these new bowlers. With 3 wins, and some very close losses, they were very competitive. Big thanks to **Pete Ingvarsson** who took these players under his wing and showed them all what a lot of fun lawn bowls can be. Congratulations on a great season.

Thanks to our team managers, umpires, and members who prepared the club with setting up of mats, jacks, chairs and the bar and to the BBQ crew, with all this help our club once again shines.

Special thanks to; **Anna Marinelli, Johnny Coviello, Anita Sleight, John Musat** who played midweek during the day and then often doubled up and played Tuesday night when we were short.

Thanks to **John Smiths** committment of the barefoot & social bowls, this continues to see our growth in membership.

Finally I would like to wish our members all the best for the 2020/2021 season.

Mark Peters

FINANCIAL DIRECTOR'S REPORT 2019/2020

What started out as a great beginning this year came to a grinding halt in March with the Covid Virus closing us down. Up until then we had increased our income with an extra team making 5 teams on Saturday and 3 teams for Midweek. This increased revenue in every facet of the club. In the bar, meat raffles and attendance at all events including playing in the Club championships.

We increased our membership and have gained some very keen members who have proved invaluable in the running of the club.

We had 3 teams still in the Divisional finals which we hoped to have played 27th – 28th June but unfortunately these were cancelled due to Covid.

We ran a cake auction and this raised nearly \$2000 for the club. We also have put in more hand rails on the greens.

The back green should be commencing July/August. This is costing the club more than expected so we will have to work hard to raise funds to cover it. Members night, which has been hosted by Gavan and Lyn, has been very successful.

Covid has put a halt to our income but because we have had back up funds we will survive.

Our Jack High Tournament was again fully booked and very successful. Thanks to Peter Harris, Pauline Peters and the blue army of helpers. Teams have already booked their spot for next year. We now have new ways of entering all events on line, which will make running them easier.

Winter bowls didn't happen but We held some games on Saturday, 20 at 2 games one in the morning and one in the afternoon. These were full with waiting lists to play. All players were club members. Unfortunately, we had to discontinue these games due to the tighter Covid restrictions.

We had the kitchen renovated and it is now back up and running. Its great to have shiny new work surfaces and increased storage.

The Italian Club decided to close down and have moved to other premises. We have an agreement to retain the furniture they brought with them. There are a few members who will become Social Members and will use the club facilities to play cards, and billiards.

We have Hosted the Blind Bowlers, and Tatts days but Past President's Day was cancelled due to lack of players. Our own club members joined in on these days. We also ran a bush fire relief night which was a total success with \$2000 going to the bush fire appeal.

Grace (BOWLS), Brian (CLUB), and Ange & Pauline (BAR) continue to keep our accounts in control. We will continue to keep a close watch on the accounts.

The pink pig was counted and \$120.00 was sent to the Monash Health Foundation. This was a little down on last year but still a good contribution.

Our Annual fees will remain the same at \$210.00 for season 2020/2021 but our Green fees will increase to \$10.00 after remaining the same for 4 years.

Thanks everyone for your support. Good luck 2020/2021.

Jan Shaw

gp%	48%	47%		

Our total income was up x 20,272.21 from last financial year. We gained new members, an extra pennant team on both midweek and weekend, and Gav McGaw introduced a members draw on a Thursday night which was well represented.

We still managed to transfer 50,000 over to the Committee of Management which was an increase of 9,500 from last year.

COVID-19 stopped trade in early March and our budget for an exceptional financial season was put to a halt. Looking forward to the other side of the COVID-19 lockdown.

TREASURERS REPORT

FINANCIAL YEAR ENDED 30 JUNE 2020

I have pleasure in submitting the 65th Annual Report for the Club. There was a net increase in available funds of \$303 but after amortization of the synthetic green (\$10,000) our unallocated funds had a net decrease of \$9,697. This has resulted from an increase in income of \$59,313 and an increase in expenditure of \$32,669 compared with the previous year. There have been many factors influencing the result, some of which are:-

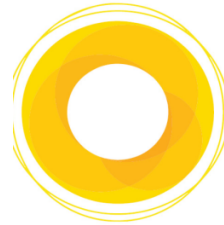

1. the reduction in income can be attributed to the Covid 19 virus.
2. the increase in expenditure can be attributed to a couple of one off expenses, being additional CCTV instalations and the deposit paid to Shadex for shade coverage between the 2 greens.
3. interest income totalled \$2,073 all of which was rolled over & re-invested.

The asset register I am informed has been kept more for insurance purposes than for accounting purposes, so please don't simply accept the values attributed to each asset, they might be slightly overstated.
