Dear Members,

The Directors of the Moorabbin Bowling Club Inc. hereby present the 66th Annual Report and Financial Statements for Season 2020-2021

Members 2020-2021

MEMBERS

We welcomed the following new members who played in the 2020-2021 season.

Sharon Groves, Colin Litton, Michael O'Haire, Jarrad O'Donohoe, Kel Dingwall, Martin Burke, Paul Taberner, Peter Russell, Bernie Canning, Sandi DeNardis.

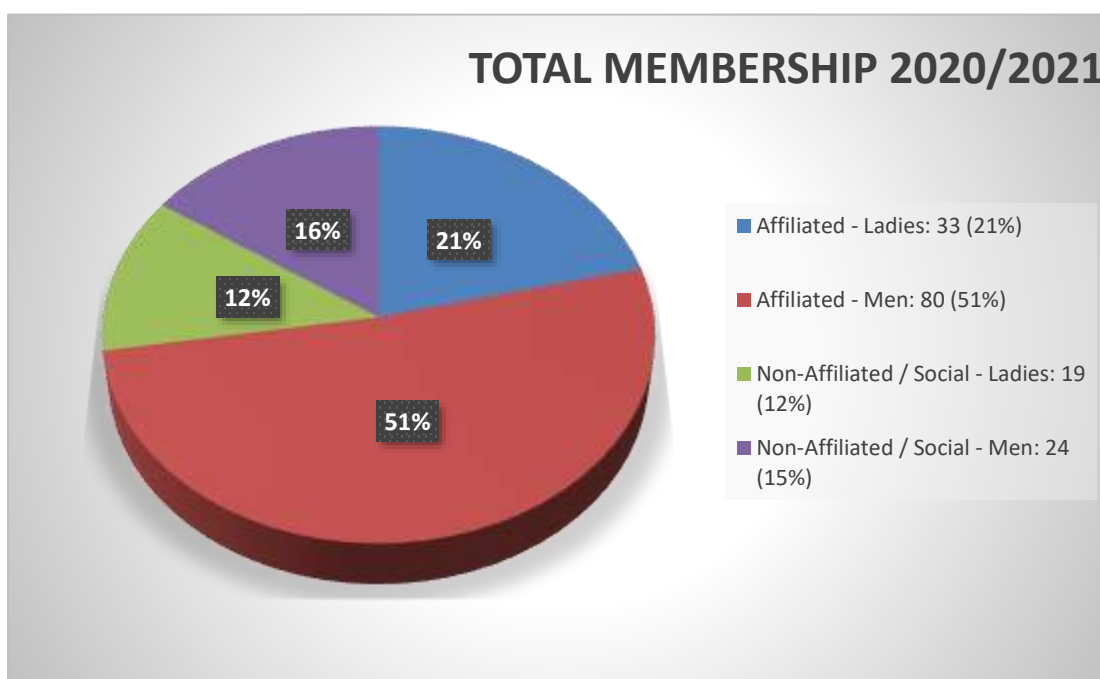

Also welcome to the following who joined as social bowlers; Cheryl Wilkins, Kaye Lorrain, Tony Lorrain, Wendy Lee, Jamie Algeo, Daniel Stewart, Alex Littlejohn, Alex Trimmer, Allen Weeden, Danny Maher, Dave Millward, Diane Millward, Dianne Weeden, Graham Alman.

as at 30th June 2021 our Membership consists of the following

	Life		Full		Social		Total	
	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20
Male	1	2	87	78	16	5	104	85
Female	5	4	36	35	11	8	52	47
Italian Social Club		0		0		87	0	87
TOTAL	6	6	123	113	27	100	156	219

Our total membership is down x 63 from last year. This is due to the Italian Social Club folding. Last year we had 87 ISC members and this year only 13 they are now classified as SOCIAL members. Our club continues to grow with Full and Social bowlers and for the year 2020/21 we signed up 4 Full, 11 Social, 5 Tuesday Night, 12 Social Bowlers and 3 full members for season 2021/22. **A**

total of 35 new members. The average age is **60.37** and **32%** are female.

LIFE MEMBER GRACE CORY

We were delighted to award Grace Cory with a Life Membership at the 2020 Christmas Party / 2019-20 Presentation Night.

Grace joined Moorabbin Bowls Club in December 2006. Since then as well as winning many championships, she has toiled hard in many positions as listed below.

- **Bowls Champion of the Green - 4 times**
- **Ladies Singles Winner 5 times**
- **Handicap Singles Winner 9 times**
- **Ladies Pairs Winner 3 times**
- **Mixed Pairs Winner 3 times**
- **Proportional Winner 7 times**
- **Ladies Treasurer 2007-2015** until the amalgamation of VLBA and RVBA
- **Treasurer of General Committee 2011-2014**
- **Bowls Committee Treasurer 2012-current**
- **Ladies Social Committee 2009-2015** until the amalgamation
- **Sandbelt Delegate 2016 - current**
- Manages all Sandbelt & Bowls Vic events held at Moorabbin
- Umpire at Sandbelt, Bowls Vic and all the Moorabbin Events
- Arranges events such as Tatts, Past Presidents Days, Gala Days
- Arranged diary of events on the tables
- Submits pennant results to the local paper and makes notable comments
- Prepares the morning/afternoon tea needs
- Submits the entries to Sandbelt events and chase up monies needed
- provides Bowls Committee & Board with historical comparisons of various data - e.g., meat trays, green fees, lotto, tournaments etc

Grace with President John Smith being presented her life members badge at the 2020 Christmas / Presentation Night

2019-20 VicSport Club of the Year Winner: Moorabbin Bowling Club

Bendigo 6th May. Maggie & John Smith, Mark & Pauline Peters, Anita & Andrew Sleight and Bowls Vic CEO Tony Sherwill

Congratulations to all our Blue Army & Sponsors

“President of Moorabbin Bowling Club, John Smith, on receiving the VicSport Club of the Year Award, thanked the club’s ‘blue army’ of volunteers, in particular for their actions during COVID supporting their fellow members. After nearly disbanding 7 years ago, Moorabbin has come a long way in a short time, with great success on and off the green in recent years, and the future looks incredibly bright (almost as bright as the amazing new mural adorning the club’s entrance).”

MEMBERS DRAW

Gav McGaw continues to organise a brilliant member’s draw on Thursday nights during the pennant season. The members market stall is very popular and numerous prizes. This year he introduced some fun games such as the “price is right” which was lots of fun. This is a great night for our members and is enjoyed by everyone who attends. Thanks Gav.

BLUE ARMY

I can’t tell you all how many times other clubs mention how lucky we are with our volunteers. Our Blue Army is a culture at our club that we encourage everyone to participate in. To be inclusive is our mantra and we really are thankful for your help.

Wishing all our members good health and good bowling for the coming season.

Pauline Peters
Members Director

Presidents Report

2020-2021 more than any other season has **challenged** all sporting clubs, and some have not survived. So, to not only survive but to thrive as we have done is a credit to you all.

With three teams being promoted on the back of premierships, **our first challenge** was to remain competitive in our higher grades. Not only were we competitive but all three of these teams made finals. The thirds also made a grand final and our firsts took another step forward by making a Div. one grand final.

Many clubs dropped membership and team numbers on the back of Covid. Not Moorabbin. We managed to hang on to our 5th team and by the season end we were fielding a competitive 5th team with emergencies.

We were strong because of the incredible number of members **practicing** every week. If we continue with this work ethic everything on the green will continue to fall into place.

Further evidence of this work ethic was:

- having 4 ladies invited for the Sandbelt Try outs with three of our girls representing Moorabbin and making the final 12-person team in the Sandbelt 4's.
- the strong form of Sandbelt women's pairs

All representative of just how well our ladies bowled this season.

Off the green we have seen:

- The development of the Jan Shaw green
- Safety glass installed in all our north facing windows
- A brilliant piece of art to welcome all visitors
- New shade installed on the Keith Lassig and Norm Foenander greens

Other highlights included:

- Increasing our membership by 35 since the 1st of July.
- The continuation of our Summer Members Draw
- Having over 3,000 social bowlers and visitors despite the difficulties facing us
- Winning several grants to help continue our rebound from the difficulties of 2020
- Being awarded a grant from the Southern Indoor closure to the value of \$106,000

This funding will sure up our plans to:

- redevelop the Keith Lassig green into a Tiff dwarf grass green
- replace the synthetic on the Norm Foenander green when needed

...leaving us with three quality greens.

I would like to make a special mention to Lyn and Nathan Hayatt for firstly coming to Moorabbin and then nominating us as your host club which enabled us to receive the Southern Indoor grant.

Rather than naming all the special people that helped throughout the season I just want to thank our Blue Army of volunteers – all of you who:

- help at our working bees,
- put the bins in and out each week,
- man the bar,
- bake cakes for the cake auction,
- run the cake auction,
- purchase all our supplies,
- manage our facilities,
- engage and communicate with our members,
- run our bowls activities,
- select our teams,
- coach our players,
- stock and attend the bar,
- help make the rolls each week,
- help in the kitchen and BBQ to make our social bowlers and visitors' welcome
- plan and run our social and social bowls events

I would like to congratulate all these volunteers and our various sub committees including our hard-working Board and Bowls committees for a mighty effort throughout the year.

Many hands make light work, and we are blessed with the **Mighty Blue Army** of helpers.

We have also had unbelievable support from our **Major Sponsors**:

- **The Healey**
- **Australian Skin Cancer Clinic**
- **Robert Nelson Funerals**
- **Tara Ferrier - Hodges Bentleigh**
- **St. Kilda Football Club**
- **Mon Jon Security**
- **Bendigo Bank Highett**

So please, please use their services if you have the opportunity. And I thank the members who have done just that over recent years.

We are so confident about the future of our club. With our brilliant exposure to South Rd and the adjoining reserve we have a first-class location. We have a business district that is becoming more and more aware of what we offer the community. The City of Kingston and our sitting members of both state and federal parliament support and believe in our future plans.

We cannot fail if we continue living our “**Values**” of:

- Providing a **Welcoming and fun** environment for all visitors
- Showing **Care** for all members to support them in any challenges they face
- Treating each other with **Respect** - in all our communications
- Providing a club focussed on **Bowls and the Community**

Soon we will be conducting a planning morning to review and reset our 5-year strategic plan which include such things as:

- Renovation of the toilet facilities
- Continued improvement of our coaching programs
- Fielding a 6th Saturday team and a 3rd Tuesday team as soon as we can do so sustainably
- Construction of a back deck and BBQ area to the back green
- An upgrade of the committee room so it can be used effectively for coaching, selection, meeting room hire and Bowls committee and Board planning sessions

Finally, I just want to remind everyone how important clubs like ours are to so many of our members.

Moorabbin is a place that gives us all a purpose, a sense of belonging and somewhere we can all do something worthwhile for others. We have a responsibility to ensure this club remains strong and serves the community for many years to come. We will continue to evolve, improve, and grow and we must all do our part.

And finally, congratulations to you all on being part of the club that was recently announced the **VicSport Club of the Year**.

This is something you should all be very proud to be part of and it is something for which I am so grateful to all of you for your contribution.

Thank you all for your support and enthusiasm for this fabulous club. It is a continued honour for our Board to serve you all.

John Smith

President

Bar & Social Report

Unfortunately, the 2020 -21 season was once again interrupted due to Covid lockdowns. However, when the club was up and running the bar was once again busy catering for members during the week & on Saturdays as well as numerous functions which were booked through this period. Even during these unpredictable times MBC is still proving to be a popular venue for functions both for private parties & local business.

The bar volunteers & staff run these nights very efficiently & is one of the reasons we get a lot of new business from referrals as well as our regulars coming back.

I thank all those people for their efforts.

Our Barefoot bowls program was again very popular during the Summer with some very big bookings keeping the bar sales ticking along. Barefoot bowls is continuing to grow each season & is integral to our growth as a club due to the revenue it generates through the bar & kitchen.

A big thank you to all the volunteers who help run those nights.

The Members draw on Thursday nights is popular amongst our members & is significant in increasing bar sales throughout the week. These nights are very entertaining & I would like to thank Gavin McGaw, Lyn Hyatt & Claire Musat for organising this weekly event.

Also, a big thank you to Geoff Tucker for running the bar on these busy nights.

I would like to take the opportunity in thanking Mark Thomas who has taken on the Bar Managers role. Mark has stepped up & been fantastic in organising staff rosters, buying in stock & filling fridges weekly. Mark has also made sure all our volunteers RSA certificates are current. These are tasks that generally go unnoticed but are essential in the running of the MBC bar.

Finally, a big thanks to all our volunteers & staff who have helped during the year. Everybody involved has made their contribution which is important to our success as a club.

Looking forward to another successful year on & off the field.

Tim Vawser
Director Bar & Social

Facilities Report

Maintenance

Firstly, thanks to all the volunteers who gave their time during our working bees to keep the club rooms and gardens in great shape. A particular call out to Haydn for his contributions in repairs and for being our weekly bin man! Also, thanks to members who have given their time weekly to keep the gardens looking beautiful.

We replaced all the bowls rakes for the North greens, and these will also be ordered for the Jan Shaw Green ready for the 2021/22 season.

Kingston City Council have been excellent in their support for the Club with upgrading of all window glass to be safety glass and other repairs to toilets, power points etc. Any issue that I logged with them was fixed within days. Members are encouraged to point out any defects to me or any Board member so they can be addressed promptly, especially if they are safety concerns.

Shade

The new shade for the North greens has been installed and is working well. We have additional shade systems available and in storage that is yet to be installed, we will work out where this is best placed over the next summer. Potential spots are on the North greens at rinks 1, 9 and 16 or on the Jan Shaw Green. Until this is decided we will continue to use the existing umbrellas for rinks 1 and 9.

Mural

Many thanks to Natalie Driessen and The Bendigo Bank Highett for their generous sponsorship of the mural on our carpark, it certainly brightens up the entrance to our Club and makes it very obvious that there are bowls and good times to be had at Moorabbin. The artist Hayden Dewar has many works in the local area and paints each year at the Australian Tennis Open.

Technology

This year we have switched Internet providers and installed the nbn. We have also installed a Wi-Fi system which is open to all members and guests to use, we have no cap on usage so feel free to connect and use the Wi-Fi.

Wi-Fi name is Bowls Guest

Password is barefoot

Additional CCTV cameras have been installed to monitor the Jan Shaw Green.

The Club's email addresses have been switched to use Gmail, this allows the Club to use any Internet provider and still retain the same email addresses. As part of this move, we also moved all the Club's files onto Gdrive, providing a safe location for all Club records. Gmail and Gdrive also allow the Board members to access email and files from their home locations, a great advantage during COVID lockdowns.

We have also been using Zoom for meetings and in support of members during COVID with weekly members catchups and quiz events.

Capital Works

Major works are underway from Kingston City Council which will see the clubrooms looking great shape for next season, these works include;

- Replacement of the main entrance airlock, rebuilt in aluminium with sliding windows.
- Replacement of the second entrance airlock, rebuilt in aluminium with sliding windows and disability access ramp.
- Removal of the South side entrance airlock
- Replacement of the South side windows and raising the wall height to accommodate the new deck.
- Plastering and painting of the area outside the ladies' toilets
- Recarpeting of the area outside the ladies' toilets
- Removal of the carpet in the hall near the ladies' toilets and polishing the floorboards.
- Recarpeting of the committee room
- Fixing the fascia of the roof and repainting externally
- Installation of new bench seats between the greens
- Installation of a new disability access door on the South green, near the pool table area.

The works by Council are scheduled to be completed by the end of July apart from the disability access ramp and door for the Jan Shaw green, this will be done by October.

I am pleased to say that the BBQ deck has been finalized and approved. The contractor who is undertaking the above works for the Council has also been appointed by the Board to build the deck. They were selected after we received multiple quotes, there was cost savings that were applied as they were already engaged in the Council works which resulted in savings for the Club. The deck will be a fantastic addition to the Club, creating a second area for hosting members, barefoot bowlers, and functions. Thanks to John McFarlane for his generous donation of the BBQ for this area. The deck will be completed by September, ready for our pre-season training.

We have discovered a significant fault in the floor and sub-floor in the hall, it is suspected that the recent flooding and blocked drainpipe has damaged the sub-floor. Council is investigating how to rectify this damage. We expect that a significant amount of work will be required to repair/replace some of the stumps and sub-floor and then a replacement or repair of the floorboards. We are working to minimize the disruption to members and our booked functions.

Thank you to the Board for their support and allowing me to spend our hard-earned savings to provide a facility that is going to be the envy of many clubs and will be enjoyed by our members for years to come.

wheelchair access ramp being installed

Greens Report

The greens are well on the way for the upcoming pennant season, green 1 the bent grass green is looking great and should present well for play, the synthetic surface is running well and has been undergoing moss and mould treatments (brownish areas on the surface).

We had Berry Bowling systems look at some seams coming apart, but they are happy to let it go as it will not affect play.

The new back green is coming along well, and play is expected to start around December depending on the weather which we need it to be hot. It will be laser levelled to make sure it is completely flat and ready to go.

Can I please remind everyone that with foot traffic set to increase we need to follow the direction of play signage.

Monday-Wednesday-Friday-Sunday is East to West
Tuesday-Thursday and Saturday is North to South

Hope to see you on the green
Willow

Administration Report

The Board has continued to be run in a very efficient manner under the Leadership of John Smith. Welcome to Hayley Peters who has taken over the Treasurer's role from Brian Uphill. Brian has been a contributor for over 15 years, and I would like to acknowledge his huge contribution to the Club over this time.

The Club has been successful in a new of State and Local Government Grants over the past 12 months and the contribution of Andrew Sleight and John Smith needs to be acknowledged in this area. The Club has also received just under \$10,000 in Covid Grants to offset the Government Lockdowns.

Despite the late start to the season and uncertainty with Covid19, the Club has continued to grow in membership. Our increased Membership, our increased Bar revenue, our increased Midweek and Saturday teams are reflective of the great work done by the Directors this year and over the past few years.

Our Club continued to increase the Barefoot Bowlers into the Club, the opportunity to engage the wider community brings much needed funds and potential new members to the Club and places Moorabbin Bowling Club firmly on the local community map.

The Board cannot thank all volunteers enough for continued support and assistance; from the weekly lunch roll brigade, Darryl and all the volunteers who prepare and serve the barefoot bowls barbecues during the summer months and our fabulous team of gardeners that look after the flower beds who are worthy of a special mention as the garden lifts the overall look and feel of the club grounds.

We can be proud of the fact we are one of only a few local bowling clubs that are growing their membership. City of Kingston Council continues to be our greatest supporter with their Financial Support in maintaining and upgrading our Bowling Clubrooms and their financial assistance with our nearly completed Jan Shaw Green.

David Lewis

Director of Administration

Bowls Report

Once again, we come to the end of a season, having a great season with 4 out of 5 teams in the finals, unfortunately we didn't win any grand finals but still a very successful season.

We are all looking forward to next season which isn't far away, but I would like to thank all the coaches, selectors on Tuesday, Tuesday night and Saturday competition, as well as all players who represented Moorabbin BC and volunteers throughout the year, especially on Jack High Day,

Special thanks to another job well done by our chairman of selectors, Mal Lay.

Special thanks to my bowls committee, Grace, Jan, Rowie, Rachael and Craig for a job well done throughout the season with an additional member, welcoming Anita onto the committee for upcoming season.

Peter Harris

Bowls Director

Coaches Report

Congratulations to everyone on another fine season despite the late start. I class it as a success with four of our divisions making finals again. Not forgetting about the promotions that you all achieved in the previous year and everyone playing at a higher level. We were all thrown in the deep end without a proper lead up to the season including practice and coaching, so you should all feel happy with your efforts.

Firstly, I'd like to thank the people that put in so much effort and helped with selection and coaching. It was a very tough year for all trying to organise everything and combat all the rule changes. You all did such a great job!

It was obviously disappointing not being able to hold the normal coaching sessions pre-season, but I can assure you without any disruptions to the start of the 21/22 season our coaching team have set up a comprehensive agenda for you. Keep an eye out in club emails for these in the coming weeks. Also, I have stepped away from selection this year as I believe we now have a solid structure in place, and I trust it is in good hands. This will allow me to put more effort into the coaching side of things, so I will have more time on the green for anyone who wants it. Please don't hesitate to contact me for any one-on-one coaching.

I'm very much looking forward to this upcoming season with fingers crossed we are not forced off the green again and we can continue the Blue Army charge across Melbourne. There is so much to look forward to for the club on the green not to mention all the amazing work being completed around the club. It's a great place to be and is only getting better!

Regards,

Steve Moore

Mid-Week Pennant Report

Under the limitations and strain of Covid the midweek season went well for MBC.

The dedication and commitment of our players in our 2 sides, kept us competitive throughout the reduced season against strong competition.

The first division 2 side, won 6 out of the 14 games finishing 5th overall and our second division 4 side, also won 6 out of the 14 games finishing 6th overall. There were no relegations, so we maintained our positions in the same divisions for next season.

We also ran a Tuesday “tournament” for new players and players that were not playing that week. It proved to be a good opportunity for improving skills and practicing in a competitive environment. Thanks to Gav McGaw and to Lyn and Nathan Hayat, who provided some excellent coaching to new players.

We are looking forward to putting a third side in next season due to an influx of players that are now available to play the Midweek competition. This is an exciting new proposition that will enliven the Tuesday competition. I'd like to thank my fellow selectors – Maggie Smith, Jan Shaw, and Gav McGaw for their support through a difficult season. I'd also like to thank all the players that helped set up and put away equipment and cleaned up the kitchen after home games. Thanks again to Grace Cory for umpiring and to Geoff Tucker for running the bar.

We are now, I'm sure, all looking forward to the new season, hopefully without too much interruption due to Covid. After all the disruptions we have endured it exciting to look towards a new bowling season, especially as members of such an inclusive and caring club as MBC.

Rowie Beaumont (Chairperson)

Saturday Pennant Report

The 2010/2021 Saturday Pennant season was outstanding for the Moorabbin Bowls Club.

With four out of five sides once again making the finals for the 2nd year running (1sts, 2nds, 3rds & 4ths), this was a massive achievement.

The efforts of Super, Marty, Pauline, along with the Claire & John Musat were outstanding and I would like to take this opportunity to personally thank them for their commitment in driving us to be the best we could be. The time and effort put in by these people should be appreciated by all.

I would also like to thank Peter Harris and John Smith for giving me the opportunity to chair selection for a 3rd season. Your support is very much appreciated, and I would like to take this opportunity to remind John I'm smarter than him.

Our club is in great shape both on and off the field and we all need to keep rowing our side of the boat to continue to improve.

Coaching and selection structures are being refined next season and I'm sure this will help develop those who want to progress along with on field success.

In closing, I would like to thank all members and the committee for their commitment and support.

I'm looking forward to upcoming season.

Let's smash them!!

SDELBA Tuesday Night

Season 2020/2021

Premier Div.

With 5 Wins, 6 Losses, finishing 5th at the end of the season. Congratulations great effort. We also gave some of our members an opportunity to play up in our top side and play against some very good bowlers. Well done.

Division 4

Finishing 7th on the ladder this season, we ended up 4 wins, 7 losses. Some great matches that could have gone our way. Keep up the good work and better luck for next season.

Division 5

This year we introduced 5 first year bowlers; **Sharon Groves, Marty Burke, Bernie Canning, Kel Dingwall and Paul Taberner**. Although we only had 3 Wins, 8 Losses many were very close. Thanks to the skips for encouraging and supporting these new bowlers. Congratulations on a great season.

Thanks to our team managers, umpires, and members who prepared the club with setting up of mats, jacks, chairs, and the bar and to the BBQ crew, with all this help our club once again shines.

Special thanks to; Anna **Marinelli & Anita Sleight**, who played midweek during the day and then often doubled up and played Tuesday night when we were short.

Thanks to **John Smiths** committment of the barefoot & social bowls, this continues to see our growth in membership.

Finally I would like to wish our members all the best for the 2021/2022 season.

Pauline Peters

FINANCIAL DIRECTOR'S REPORT

What an unusual year we had with Covid. Pennant and other activities were cancelled but overall, we had a reasonable year, not that much under the previous year as you can see in the report.

Pennant was cancelled until late in Nov/Dec and we had 3 teams in the finals. Income from pennant and the bar was down. There was no winter bowls held.

We were lucky enough to fit in our Jack High competition which was fully booked and was a great day with fantastic raffle prizes.

Thanks to Tara Ferrier who once again sponsored the event. Thanks to everyone for the donations to make our raffle one of the best.

Thanks to John Smith and Andrew Sleight for their efforts in applying successful in obtaining grants. They are prepared to apply for everything and have been successful in most.

Our blue shades have been installed and are a great asset.

The pink pig did not raise a lot of money unfortunately, but this must mean we are all much better bowlers. The money has in the past been sent to the Monash Hospital for breast cancer, but we have decided to send the money to a local charity next year.

Our cake auction was able to be run and the result was very pleasing. Thanks to the ladies & men who baked and organised the day.

Gavan and Lyn held the members draw when they could. This is always a fun night.

We were unable to sponsor the Blind Bowlers and the Past President's Day was also cancelled due to lack of numbers.

Bowls Vic have raised the pennant fees so this will impact on our fees this year.

After giving up every Saturday morning up for years, Brian Uphill decided that enough was enough. We thank him for all his efforts in managing our finances. Hayley Peters has agreed to take over where Brian left off and we are very happy to have her.

Thanks to Grace, Ange, and Pauline for doing all the accounts for the Bowls Committee and bar. We are in good hands.

Let us hope the upcoming year can be more successful, with our new green and deck area with BBQ. We are certainly moving in the right direction. Thanks to everyone for their help.

Jan Shaw.

gp%	52%	48%		

Our total income was down x 19,291.73 from previous year. Which considering Covid-19 lockdowns and restrictions, we have done quite well. The annual GP is 52% which is very satisfactory.

We still managed to transfer 50,030 over to the Committee of Management which was an increase of 30 from last year.

Mark Thomas has taken on the role of Bar Manager, and has done an excellent job. Arranging an RSA course for members, ensuring all bar staff have up to date RSA's, and organising bar staff for functions.

TREASURERS REPORT

Introduction

With total revenue in excess of \$250,000 for the 2021 financial year MoorabbinBC is required under the *Associations Incorporation Reform Act 2012* (the Act), to comply with higher reporting standards.

As such the 2021 Financial Statements have been prepared and independently reviewed by Mark Robb (CPA) of Willmott Robb in accordance with Australian Accounting Standards and under the requirements of the Corporations Act 2001. The Financial Statements have been certified as giving a true and fair view of the Club's financial position as at 30th June 2021 and of its performance for the year ended on that date.

Operations

Cash held at the beginning of the year was \$141,286 and at year end was \$307,614, a net increase of \$166,328. This is higher than expected and reflects the distribution from the sale of Southern Indoor Bowls Club of which MBC received \$108k. (Thank you to Nathan and Lyn Hayat).

We were also able to obtain just on \$45k in government grants and sponsorship of \$14k. Despite the impact of Covid 19 on our traditional main sources of income; Green Fees (members and barefoot), Subscriptions and Bar sales, overall, our performance remained strong, with revenue only marginally down on the previous year and ahead of 2019. The support of members and visitors in adjusting to the restrictions to club operations and playing conditions has been commendable.

Expenses were kept in check and there was no significant equipment outlay during the period. There was an increase in greenkeeping costs due to the new Jan Shaw Green and naturally this will be a permanent change. Wages are now paid formally to our 3 bar staff employees.

This year saw the continuation of improvements to financial and business practices. Xero Accounting and Payroll Software has been implemented to provide transparency and meet compliance and has also allowed the issuing of official invoices. I thank Brian Uphill for his major contribution and in helping to set this up. The change of accounting procedures provides a platform for greater integration of the club's systems.

The provision to the synthetic green now totals \$125k. The hire purchase arrangement for the solar panels on the roof will be discharged early in the next financial year and we will then own the asset.

Whilst the club's finances at present are healthy it should be noted our contribution to the City of Kingston for the Jan Shaw Green (\$48,400) and the accompanying decking and BBQ area (approx. \$85K) is still to be funded.

Thanks to the Board for welcoming me as we look to further our financial sustainability and enjoy our ever-improving facilities.

Hayley Peters

Treasurer
